MONDAY 4<sup>th</sup> OCTOBER - PUPIL FREE PLANNING DAY

TUESDAY 5<sup>th</sup> OCTOBER - GAT

### Principal's Report

Term 3 is over and I would like to take this opportunity to thank everyone for their outstanding efforts.

Unfortunately this term resulted in another lock down period that has seen us not only return to remote learning but also not being able to enjoy many of life's pleasures such as seeing friends, going shopping and enjoying the lovely spring blossoms.

I understand that this has been an enormous challenge for us all however I have been impressed by how well our school has risen to the occasion.

Staff have worked tirelessly to maintain the educational program and students (with support from home) have engaged in their learning with enthusiasm and commitment.

I would like to congratulate our current Year 12 students who have coped with remote learning for a large part of their VCE studies over the last two years.

Government announcements have been made regarding on-site and remote learning for students next term.

Families will be advised via COMPASS regarding Term 4 arrangements at Macleod College once we receive the official Department of Education & Training operations guide.

#### Day 1 Term 4

This is just a reminder that **Monday 4 October** (Day 1 Term 4) is a **curriculum day** and as such there will be **no scheduled classes running on that day**.

In addition, there will be **no on site supervision of students** at Macleod College on **Monday 4 October**.

I hope that you all get to enjoy what we can of the holidays.  
Take care...and stay safe.

Mario Panaccio  
Principal

## Police Request

In recent weeks police have seen an increase in youths on bicycles congregating in large numbers at Rosanna Parklands, Ivanhoe East Primary School grounds, St George's Anglican Church (Ivanhoe East), Mother of God Catholic Church (Ivanhoe East), Chatsworth Park and Eaglemont Tennis Club dirt bike jumps. Often the youths are not wearing helmets, and in some instances they are travelling on motorised (illegal) bicycles, which are of particular concern as they are a danger to the rider and to others nearby.

Some of these youths have been involved in multiple acts of deliberate vandalism. The youths have been putting themselves and others at serious risk of injury by their riding actions. Members of the public have contacted police and made complaints about the anti-social behaviour because the youths have been intimidating members of the public, including young children.

The anti-social behaviour has included the disruption of a funeral. The youths are in breach of the COVID-19 directions. Police ask that parents and carers remind the children of the current COVID-19 restrictions, and ensure they are not engaging in these types of behaviour, which is having a significant negative impact on the community.

Police request that parents and carers have knowledge about their children's whereabouts, and actively dissuade their children from associating in large groups.

Police will conduct increased patrols of these areas to ensure members of the public feel safe and to identify the youths involved in this behaviour. Police will be issuing infringement notices and putting children before the courts for offending.

Police encourage any parents or carers to contact First Constable WEST 43225 via email of [vp43225@police.vic.gov.au](mailto:vp43225@police.vic.gov.au) if parents or carers have information or would like advice about this matter.

Likewise if you witness this behaviour we encourage you to call 000 if urgent or phone the Heidelberg Police Station to advise what you witnessed.
